

## Application form for lower fees

### **Are the fees for music lessons too high?**

You have to pay for the lessons monthly. If a family has not got enough money the school can charge less. So the fees can be lower for one year. It depends on the family's total income how much the fees are reduced.

In case you have any questions please ring us up **Telefon 04621 960 124**

### **About your family:**

Student's name .....

Name of parents or guardian .....
